Work Experience

IT Programmer • PT Jurnalindo Aksara Grafika (Bisnis Indonesia Group)

November 2022 - Present | DKI Jakarta, Indonesia

As an IT Programmer, I am responsible for the development and management of various digital platforms for Bisnis Indonesia Group, including JAGO 2.0, Karier Bisnis Indonesia, ESS Bisnis Indonesia, HRIS Bisnis Indonesia, Hypeabis ID, and AGP Bisnis Indonesia. I collaborate closely with System Analysts, UI/UX designers, and QA teams to enhance the performance and quality of the company's web applications. My commitment to innovation and attention to detail ensures the delivery of technology solutions tailored to business needs.

Full Stack Web Developer • PT Forkindo Utama

Agustus 2021 - Agustus 2022 | DKI Jakarta, Indonesia

At PT Forkindo Utama, I led the development and management of IT systems to support company operations, including maintaining the database server for PT Wasa Mitra Engineering. I also developed and continuously updated the company's website in real-time to ensure its alignment with business needs. This role sharpened my technical expertise in programming and efficient data management.
